

# CERTIFICATE

## LSS Certification

This is to certify that Elettrotex Apparecchiature Elettroniche S.r.l., Italy has fulfilled the standard requirements. This certification is valid until May 24, 2026 and assures that the LSS is competent and qualified to serve the customers in their designated territory.

The next certification will be done during May/June 2026.

Uster, 20.06.2024

Uster Technologies AG

Suresh Krishnamurthy  
Vice President

**Disclaimer:** This Certificate is valid only as long as its holder is an employee of Uster Technologies AG or any of its affiliates, or is their authorized agent. Any commercial use of this Certificate beyond its validity is abusive.
